

Job Description
Minimum Wage: \$7.50/hr.

Lifeguard II (Part-time)

DEFINITION: Under direction from the Head Lifeguard, the Aquatics Center Supervisor or the Recreation Manager, the Lifeguard will assist patrons using the Recreation Center water facilities. The primary function of an employee in this class is to teach swimming and water safety skills; to monitor public use of the swimming pool area, including performing in rescue, emergency, and first aid situations; answer inquiries from the public; and perform cleaning and sanitation duties. Additionally, an employee in this class assists in class and event registration and operations. Other duties assigned to this moniker include the availability to perform supervisory duties when Head Lifeguards are unavailable or unable to perform assigned functions and duties.

CLASSIFICATION: This is a part-time, hourly position with no benefits.

ESSENTIAL FUNCTIONS: Essential functions, as defined under the Americans with Disabilities Act, may include the following tasks, knowledge, skills and other characteristics. This list is ILLUSTRATIVE ONLY, and is not a comprehensive listing of all functions and tasks performed by incumbents of this classification.

TASKS:

- Teach swimming and water safety skills to adults and children.
- Monitor swimming pool area to prevent, recognize and respond to emergency situations.
- Perform rescue and first aid functions.
- Enforce pool rules and regulations fairly and uniformly.
- Answer inquiries and provides information to the public regarding pool hours, activities and events.
- Clean pool area, concessions area, bathrooms and dressing rooms, maintaining them to county health and sanitary standards.
- Document accidents and other pool-related incidents according to City requirements.
- Participate in mandated training, including but not limited to, rescue skills, in-service training, and physical conditioning.
- Process swim lesson registrations.
- Assist in special events, performing such tasks as cooking, leading children in games, and judging contests.
- Perform all work duties and activities in accordance with City policies and procedures.
- Work in a safe manner and reports unsafe activity and conditions. Follow City-wide safety policy and practices and adhere to responsibilities concerning safety prevention, reporting and monitoring as outlined in the City's Safety Handbook.
- Assist in other department programs including, but not limited to, adult sports, therapeutic recreation, youth sports, special events, and Recreation Center rentals.
- Perform line supervisory functions when Head Lifeguards are unavailable.
- Conduct water chemistry tests on an hourly basis to meet mandated requirements set forth by the Recreation Manager.
- Monitor and provide oversight pertaining to Health Department Guidelines, guard rotations and employee to patron ratios.

KNOWLEDGE, SKILLS AND ABILITIES:

- Must be able to obtain lifeguard, community first aid certification and CPR for the Professional Rescuer certifications. Also desirable, if requested: ability to obtain food handler's card.

Lifeguard II (Part-time) - Continued

- Customer service principles.
- Use tools common to the performance of the duty, including whistle, megaphone, rescue tube, and first aid equipment.
- Work with customers of all age ranges, from infants through adults and older adults.
- Communicate effectively with the public and other employees.
- Possess a comprehensive knowledge pertaining to reagents and water chemistry.
- Ability to cover supervisory shifts on an as needed basis.

PHYSICAL REQUIREMENTS:

- Ability to work in an indoor or outdoor aquatic environment that may include working in temperatures up to 110 degrees, in adverse weather conditions, and while exposed to allergenic substances.
- Ability to lift objects up to 50 pounds.
- Ability to sit for up to 40 minutes per rotation on a lifeguard chair or station, and be able to climb a ladder to reach the station.
- Sufficient clarity of hearing, with or without reasonable accommodation, which permits the employee to discern emergency situations, verbal instructions, and telephones.
- Sufficient visual acuity, with or without reasonable accommodation, which permits the employee to discern emergency situations, discern colors, and comprehend written work instructions, and rules and regulations.
- Sufficient sense of smell to be able to detect odors.
- Sufficient manual dexterity, with or without reasonable accommodation, which permits the employee to respond quickly in an emergency situation and operate control mechanisms and make fine adjustments.
- Sufficient strength to swim 500 yards, demonstrating use of freestyle, breaststroke, and side stroke.
- Sufficient body flexibility and balance to perform rescue and first aid operations and occupy a lifeguard station accessible by ladder.

HOURS: Must be able to work split shifts, weekdays, weekends and/or evenings as assigned.
